A Poppy Prayer

Look at your poppy or that of someone sitting near you if you don't have one. Poppies are bright and cheerful flowers: give thanks to God for the lives of those who have died in war, remembering all the joy they brought to families and friends, and all the good things they did for their home and their country.

Then look at the red petals: red reminds us of danger and harm. Ask God to be close to those who are still facing danger each day, to give courage to the armed forces, and compassion to all who help others.

Place your whole hand over the poppy: poppies are also fragile and need to be handled gently. God cares for those who are hurting and those who are sad. Ask God to comfort all who are grieving the loss of someone they love.

Finally place a finger on the centre of the poppy: ask God to help you play your part in working for peace in the world.

A Prayer for all those affected by coronavirus

Keep us, good Lord,
under the shadow of your mercy.
Sustain and support the anxious,
be with those who care for the sick,
and lift up all who are brought low;
that we may find comfort
knowing that nothing can separate us
from your love
in Christ Jesus our Lord. Amen.
